

Compassion 08 – Sunday 27th of June 2021

Introduction

Compassion is also a ‘requirement’ of the believer from New Covenant Scripture.

Main Points of Sermon

1 John 3 v 11 to 24 is a passage all about God’s Love.

In the middle is a wonderful description of compassion; and a verse that asks us a very challenging question.

I believe we are being told this –

1. We express our love by our deeds and actions
2. As we are compassionate, we are expressing the love of God
3. We can gain in compassion, the more we understand about God’s love

Knowledge and understanding about God’s love is the key.

Scriptures

Acts 2 v 42
