

God Is Love 06 – Sunday 29th of August 2021

Introduction

God's love is non-judgmental and non-condemning, in that same way Jesus was with Zacchaeus.

Main Points of Sermon

Jesus looked at Zacchaeus in a way the other men did not; He looked twice and looked at his heart.

Zacchaeus was a sinner when Jesus asked him down from the tree and invited Himself into intimate relationship with him.

Jesus did this before any 'performance' or good deeds from Zacchaeus.

Zacchaeus 'changed' and 'performed' after he met Jesus.

Change is a result of Jesus' love, not a prerequisite.

Meditation Points

Can you relate in any way to Zacchaeus?

In what way are you like him?

Are you assured of His love irrespective of your performance?

Are there any areas where you think you may have a 'touch' of legalism?
