

God Is Love 02 – Sunday 11th of July 2021

Introduction

God is Creative and Relational; these are both expressions of His love.

Main Points of Sermon

God, thru Jesus, was the agent of Creation; we did not evolve.

This leaves the question why did He create us? Because He is a relational Being and required someone to love.

He created us for relationship and to be loved.

We are ‘welcomed’ back into relationship through faith in Jesus.

We are created with a plan and a purpose.
